

CITY OF RICHMOND CRIME PREVENTION NEWSLETTER

Welcome to the City of Richmond Crime Prevention Newsletter for the first quarter of 2008

As a reminder Crime Preventions meeting are on the third Wednesday of the month in the Manpower, building at 7 PM. Special guests attend the meetings to give information and safety tips to attendees. Attendees with their neighbors should share safety information provided at the meetings.

WHAT DOES A NEIGHBORHOOD WATCH DO?

A Neighborhood Watch is neighbors helping neighbors. They are extra eyes and ears for reporting crime and helping neighbors. Members meet their neighbors, learn how to make their homes more secure, watch out for each other and the neighborhood, and report activity that raises their suspicions to the police.

WHO CAN BE INVOLVED?

Any community resident can join—young and old, single and married, renter and homeowner. Even the busiest of people can belong to a Neighborhood Watch—they too can keep an eye out for neighbors as they come and go.

NOTE FROM THE EDITOR:

It is important as a citizen of Richmond that we come together as one and not just come home and close our doors and blinds and pretend that we do not see and hear anything that goes on in our city this makes us just as guilty as the persons committing the crime.

Remember if we live in fear, the bad guy has won. If we come together as a community, we can do anything.

We all moved here and established roots in this city for one reason or another, it is important that everyone get involved in with their neighborhoods, meet your neighbors, attend city meetings, and express your concerns. For the city of Richmond to be a better place to live, we need to stand up for not only our rights; but also the rights of our city to make it a better place to live for all us.
