

**THE OFFICE OF NEIGHBORHOOD SAFETY
IS CURRENTLY SEEKING RICHMOND RESIDENTS TO
SERVE ON ITS ADVISORY COMMITTEE**

Mission: The Office of Neighborhood Safety (ONS) provides functionality that creates, promotes and strengthens activity designed to produce community safety and well-being.

The purpose of the ONS Advisory Committee is to support the development of priorities, programs and initiatives that are commensurate with the Office of Neighborhood Safety's goals and objectives. The ONS Advisory Committee will be a critical part of the Office of Neighborhood Safety's larger effort to develop and increase public advocacy and support for expanding and sustaining resources that promote neighborhood safety and community well-being for all City residents. The efforts of this committee are strictly advisory in nature.

We need residents willing to serve as ambassadors and advocates in this important partnership effort to restore peace and harmony within our City.

If you're interested in serving on this committee, please send a letter of interest to:

Office of Neighborhood Safety
1401 Marina Way So.
Richmond, CA 94804

DEADLINE: FRIDAY, DECEMBER 7, 2007
