

Dear Community Partner:

It is the time of the year again when we all get together for one of our biggest events in the city. Richmond Crime Prevention Program is celebrating 35 years of National Night Out (“NNO”). National Night Out celebrates with cities across the country on Tuesday, August 7, 2018.

National Night Out is a special night meant to:

- ✓ Build relationships with Community and Police
- ✓ Encourage residents to turn their porch lights on and employ crime prevention techniques
- ✓ Encourage neighbors to get to know one another
- ✓ Take back communities from crime and violence
- ✓ Build and rebuild neighborhood watch

The purpose of this letter is to encourage neighborhood councils, watch groups, and businesses to plan celebrations for the caravan to visit on Tuesday, August 7th. If you live close to a neighborhood that is having a party, we encourage you to combine them. In order for your community block party to be a destination on the caravan route, you should register with Crime Prevention no later than July 6, 2018. FIRST 20 REGISTERED, will be on the caravan route. After July 6th, your registration is considered late, and you may not have an opportunity to receive giveaways, or have the caravan visit your party. Once registered, you will be entitled to receive a free packet of materials and giveaways for your party. If you don't have a party to go to, please join us at the Kickoff party located at the Target Parking lot. City caravans with representatives consisting of law enforcement, fire, and the crime prevention executive board will travel through the city's three geographic police districts: northern, central and southern.
