

Interested in hosting the end party?

Please let us know.

Criteria

The caravans will start showing up at your end party at about 7:45 or so. Your party should start about 6:30 or 7:00 pm so by the time the caravans reach your party, it is in full swing.

Venue

Tell us about your venue.

Venue should have enough room to accommodate multiple police, fire and caravan vehicles.

Entertainment

Are you planning on having entertainment? If so, what are you planning (i.e. music, dancing, entertainment, etc.)? This is a great way to get to know your neighbors.

Why do you feel your neighborhood should host?
