CMAS

- A California Multiple Award Schedule (CMAS) is a streamlined, best value purchasing solution for State agencies and local governments seeking IT and Non-IT goods and services.

CMAS

- CMASs are not established through a competitive bid process conducted by the State of California
- Therefore, all pricing, products and/or services offered must have been previously bid and awarded on a Federal GSA Schedule

*California code does not allow for formal protest of CMAS transactions

CMAS

- The CMAS Program does not "use" the Federal GSA Schedule
- Instead, the State of California establishes a totally independent multiple award schedule for the same products and/or services, based on the same prices

CMAS

- A CMAS does not guarantee that your company will do business with the state of California or with local governments
- However, being awarded a CMAS places your company in a pool of potential contractors that ordering agencies can choose from

CMAS

For more information about CMAS:

- Visit the website:
www.dgs.ca.gov/pd/Programs/Leveraged/CMAS
- E-mail: cmas@dgs.ca.gov
- Phone: (916) 375-4365
