THE ORGANIZATION

Richmond Main Street Initiative (RMSI), is a community-based nonprofit organization dedicated to revitalizing historic Downtown Richmond, California as a vibrant, pedestrian-friendly urban village offering products, services, arts and entertainment that reflect our community's rich and diverse heritage. Since 2001, we've worked collaboratively with a broad group of stakeholders to implement our transformation strategy designed to ensure a clean and safe neighborhood, preserve businesses and foster entrepreneurship, and position Downtown Richmond as the center of the community and hub of economic and cultural activity.

With the support of dedicated staff, board of directors, volunteers, and philanthropic partners, RMSI has served as the catalyst for inclusive, equitable, and culturally responsive revitalization activity. Significant accomplishments include community engagement during the Macdonald Avenue Streetscape Project (2009), creating a Neighborhood Ambassador Program (2010), establishing the Downtown Richmond Property-based Improvement District (2012), forming the Save the Richmond Main Post Office Coalition (2017), and leveraging a multitude of resources to facilitate the Richmond Business Hub and CoBiz Richmond developments (2019).
